

JANKI CORP LIMITED

Steel Division

Sidiginamola Village– Ballari, Karnataka

Environmental, Quality and Safety Policy

We at Janki Corp Limited – Steel Division are committed to continually improve our Environmental, Quality and Safety Systems. To fulfill this objective, we are committed to:

- ❖ Absorbing and implementing the best technologies and practices and continually upgrading the Plant & Equipment to be ever-contemporary to protect the environment by controlling all forms of pollution in our Plant.
- ❖ Efficient utilization of natural resources and to convert Pollution Control and Environment Protection as effective tools for implementing the philosophy of Reduce and Recycle.
- ❖ Provide safe and healthy working environment for all our associates, service providers and communities around us.
- ❖ Promoting perfect understanding of the needs and expectations of our customers through enlightened partnership with them.
- ❖ Consistently supplying products conforming to the mutually agreed specific qualities, meeting the delivery schedules and rendering all the associated services for wholesome fulfillment of the contractual obligations.
- ❖ Comply with all the applicable Statutory and Regulatory requirements and stipulations related to Environment Protection and Assurance of Safety and Quality and try to improve beyond the norms.
